

The 9 Layers of
THE INDIE

YOUR CONNECTION TO AUTHENTIC POWER,
INTRINSIC SELF-WORTH & GRACEFUL LEADERSHIP

HELLO & WELCOME

You are about to step into the most extraordinary version of YOU.

You are about to uncover, unlock, and integrate your Indie at a new level.

You are about to know yourself like you have never known yourself before.

WELCOME TO THE INDIE MASTERMIND

When you align yourself with your Indie, you allow yourself to be who you really are at your core.

I used to think we were here to become, but along this journey I have (with the guidance of my own Indie) come to understand that we already ARE.

HELLO & WELCOME

Inside of this magical process is a deep unfolding of the permission to EMBODY the woman you were meant to be, the woman you ALREADY ARE.

You now have the opportunity to receive my support as YOU delve deeper into your true identity. You'll leave behind ALL that is no longer serving you so you may be in alignment with your TRUE, most authentic self.

You see there is a knowing inside that you are capable, worthy, powerful and deserving and yet you are 'clouded' in the fear that what if you are wrong, what if you really aren't all that?

But what if YOU ARE?

What if you could allow yourself to experience the fullness of your truth?

What if you could grant yourself

permission to follow your intuition, step into the most authentic part of who you are and let the approval of others no longer be what stops you from being... YOU?

Take some time to answer the questions below as preparation for your Indie Mastermind Experience and feel free to post your responses on the fb page..

Close your eyes for a moment, receive a breath.

1. What if you were ALL that? What if you knew beyond a shadow of a doubt that you were worthy, capable, powerful and deserving? What would you call into your life?

2. Who would you require to know you ARE in order to allow that into your life?

3. What are you already aware you require to let go of in order to allow this into your life?

My STYLE

My style is direct, honest, loving, inspiring, to the point, and always in service of YOU uncovering your sensuality, powerful, feminine self (which I always see, even during those times when you may not).

As a member of the Indie Mastermind you're getting my wealth of knowledge, experience, and proven success in supporting women just like you increase their authentic power and begin to live

the life they were always meant to live.

Inside the Indie you will discover a new found level of support to assist you in EVERYTHING you already have in your life, rather than adding 'one more thing' to your to do list.

Instead what we will support you in experiencing more time, more freedom and more internal resources to live the life you want.

The program is designed to take you on a magical, transformational ride.

Having the layers revealed to you during the journey is the process. It is what works. It is what will change your life.

We will have a total of 3 group calls. THIS IS A DEEP DIVE AND

IMMERSION... which supports you in the precise unfolding of certain “activate points” that will allow you to move from the theory of personal and spiritual growth to the experience in your daily life.

You will be invited to attend a 1.5 group Indie *in person* day, this will take place September 12th & 13th 2019.
